Statement of Significance

Last updated on -

SIGNIFICANCE: 165 Brackenbury Street (1940?) is of local architectural and historical significance as a work of Myrtle Houston with help from Alexa Goyder, local female builders, and a rare local use of Mt Gambier limestone.

Heritage Study/Consultant	Manningham - Doncaster & Templestowe Heritage Study Additional Sites Recommendations, Richard Peterson, 1993;
Hermes Number	22960
Property Number	

Physical Description 1

VISUAL DESCRIPTION: A long low pavilion of Mt Gambier limestone, across the block. There is a verandah on the front and right hand side under the low-pitched hip-roof and a brick chimney, with a skillion extension at rear. There is a stone garage at right in the front and two other asbestos cement outbuildings. It is also approached from the Yarra Street service Road.

Intactness

INTACTNESS: The stone is now painted, the roof reclad and the windows replaced.

Physical Description 2

CONDITION & THREATS: Good condition.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
