Physical Description 1

VISUAL DESCRIPTION: Two unusually massive timber gateposts, 4,900 apart, 1,440mm height and 340x330mm in section, with unusually axed shaped heads. The soft timber has a vertical wavy open grain, with traces of white paint and the heads have been rendered. There are axed sockets for rails and wrought iron fittings. The drive passes over a 450mm steel pipe drain and there are ten pine trees on the road boundary. The site is otherwise vacant.
