Statement of Significance

Last updated on -

Site is of local significance, of low historic and scientific significance. Has potential for elucidating, to some degree, the early occupation in this area. Scatter of fragmented artefacts - possibly relating to earlier habitation-unclear at this stage.

Interpretation of Site Rural domestic hut now destroyed and cleared and possibly rural domestic dump site

Hermes Number 23069

Property Number

History

Pastoral occupation began in 1847; the site could date from any time after this, but from assessment of material it appears that the site may have been occupied, late 19th-early20th century.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
