Physical Description 1

An imposing Italianate asymmetrical stuccoed villa with slate roof and faceted projecting bay. The bellcast verandah has been reconstructed using replica columns and the verandah floor has tessellated tiles set with a bluestone margin and plinth. Emphasis is given to the projecting bay by the use of round arched windows. The house is in good condition and has a moderate degree of external integrity. The front fence is sympathetic, but not original.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
