Physical Description 1

Numbers 74 and 76 Herbert Street and single-storey, double-fronted houses with timber block-fronted facing, bullnose verandahs and cast-iron frieze work. The verandah on 74 is of the late Victorian-era, with its chamfered posts, but that on 76 is Edwardian in character, having turned posts. The chimneys on 76 have been removed (see 74) but the fences may be original.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
