Physical Description 1

26 Urquhart Street is a double-fronted, single-storey building with ashlar-pattern boarding and a hipped corrugated iron roof. The verandah has a bullnose corrugated iron roof and a cast-iron frieze and columns. In the centre of the verandah is a small gable with cast-iron finial and cresting. The eaves are bracketed on the street elevation. The two tall red brick chimneys have rendered moulding cappings. The front timber picket fence is a recent reconstruction.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
