Statement of Significance

Last updated on -

The site is of archaeological significance for its potential to produce evidence relating to its use and occupation from the mid to late nineteenth century. Graff's Farm is of historical importance at a local level as a rare surviving small farm that was typical in the area from the 1870s.

Interpretation of Site Mid to late nineteenth century farm complex. According to Gould (1991) the site is the best surviving example of the small farms that were frequent in the area during the 1870s.
