Statement of Significance

Last updated on -

Low scientific and local historic significance.

Interpretation of Site Six other mining sites are on the Heritage Inventory Register within a 10 km radius of the Cocking Property. The area experienced low intensity mining activity, probably during the 1850's goldrush.

Hermes Number 31531

Property Number

History

The area has been used as a pastoral run since the 1840's and formed part of a sheep and cattle run from this time. Extensive clearing of native vegetation has occurred. The gold rush of the 1850's led miners to the area.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
