Statement of Significance

Last updated on -

Nos. 2-24 Edward Street are important at the municipal level as a comparatively rare large brick terrace of attached dwellings, comparable with others in Prentice Street and Glen Eira Road. They compare also with the more commonplace rows of small detached villas throughout Elsternwick and are of interest on account of their rarity in the locality.

Heritage Study/Consultant	Glen Eira - Caulfield Conservation Study, Andrew Ward, Architectural Historian, 1994;
