Statement of Significance

Last updated on -

No. 32 Murray Street is locally distinguished as the most imposing villa of its period in Murray Street whilst its association with J. W. Doyles, builder of several houses in the same street, is of interest. Its importance is enhanced by its substantially intact state.

Heritage Study/Consultant	Glen Eira - Caulfield Conservation Study, Andrew Ward, Architectural Historian, 1994;

Property Number	

Physical Description 1

Imposing single storeyed Italianate villa with principal elevations facing north and east and with cast iron lace corner verandah terminated at both ends by projecting wings with faceted bays. Distinctive window heads have curved corners with similar hood moulds and medieval ornamentation. The slated hipped roof has dog tooth barge and enriched frieze whilst portions of the stucco work have not been painted. The galvanised iron gutters have acroteria.

Physical Description 2

Integrity: Good, verandah floor terrazzo paved.

Physical Description 3

Condition: good

Historical Australian Themes

Victorian middle class suburban residential development.
