Physical Description 1

An imposing Italianate two storeyed asymmetrical villa with overpainted stuccoed surfaces to the facade, distinguished by their ornate treatment. Unusually rich ornamentation includes the acanthus leaf impost capitals, aedicules with swags and volutes, foliated panels to the frieze, ashlar treatment to the lower level and quoins above. The two storeyed cast iron verandah with timber frieze rail protects a black and white tiled floor. The hipped roof has patterned slates.
