Statement of Significance

Last updated on -

The pair of shops at 216-18 Glen Huntly Road has architectural importance in Elsternwick as a substantially intact late Victorian Boom Style building of its type, enhanced by its unusual arcaded treatment and by its close visual association with adjoining nos. 220-22 and 224-26. Together with these buildings it marks the western entry to the historic Elsternwick shopping centre.

Heritage Study/Consultant	Glen Eira - City of Glen Eira Heritage Management Plan, Andrew Ward, Architectural Historian, 1996;
Hermes Number	42416
Property Number	

Physical Description 1

An exceptionally imposing two storeyed Italianate pair of shops with residences above, distinguished by its upper level arcaded treatment with central blind opening, pedimented cornice and balustraded parapet with urns.

Inside, elements of the shops are intact and include timber lined ceilings and doorways.

Physical Description 2

Integrity: Medium, verandahs removed, interwar shopfronts.

Physical Description 3

Condition: sound

Historical Australian Themes

Victorian middle class suburban expansion
