History

Currently the area between Erin and Austral Street is open land. It has been fenced and appears due for sale and redevelopment. There are some archaeological features, scattered bricks and some concrete paving. This is likely to be the location of one of the bacon factories or bottle recycling plant.

Ziebell's Bacon Factory and Dever's Bacon Factory stood next to each other on Oakover Rd. There was also a bottle recycling plant in the area that may have superseded Ziebell's Bacon Factory (Carroll & Rule 1985:104).

Jones 1994:17).
