Physical Description 1

An imposing 3 storeyed Moderne building adapted to a narrow triangular site and having a corner tower with staircase as its most dominant feature. Streamlined Moderne treatment consists of cream and stuccoed horizontal banding incorporating windows with a spliced motif forming the principal decorative device of the vertical stairwell window, surmounting the main entrance. The stairwell/tower is crowned by a circular, flat concrete roof. At the rear, the corridor walls are in red brick, and of utilitarian character.

Inside, the lobby floor at the base of the stairwell is in terrazzo with a woven motif.

Physical Description 2
