Location

Sir John Monash Drive CAULFIELD EAST, GLEN EIRA CITY

Municipality

GLEN EIRA CITY

Level of significance

Included in Heritage Overlay

Heritage Overlay Numbers

HO65

Heritage Listing

Glen Eira City

Statement of Significance

Last updated on -

The former Caulfield Technical School building of 1922 has regional importance as the first technical school established in the area bounded by Dandenong, Malvern and Frankston.

It compares architecturally with the Brighton Technical School (1920) and Collingwood (1913), the minor alterations having minimal impact on the Railway Avenue facade.

Heritage Study/Consultant	Glen Eira - Caulfield Conservation Study, Andrew Ward, Architectural Historian, 1994;
Other Names	Former Caulfield Technical School,
Hermes Number	43680
Property Number	

Physical Description 1

A symmetrical 2 storeyed Classical Revival building with Palladian symmetry being the principal characteristic of the facade. The main elements include central and pavilion treatments with rusticated brickwork, pediments and a stuccoed bracketed cornice with fasces motifs.

Physical Description 2
