
HALLETTS LANE WATER CONDUIT

Location

152 YANDOIT CREEK ROAD YANDOIT, HEPBURN SHIRE

Municipality

HEPBURN SHIRE

Level of significance

Heritage Inventory Site

Heritage Inventory (HI) Number

H7723-1215

Heritage Listing

Victorian Heritage Inventory

Interpretation of Site	The purpose of the conduit is uncertain. The modifications made to the conduit at Halletts Lane suggest that it pre-dates the road construction. It is likely that the conduit was used in water management, possibly associated with the goldmining activity in the area.
Hermes Number	44024
Property Number	

History

The area around Yandoit was extensively mined for gold from the mid 1850s to about 1910. the site is located between two recorded gold mining sites, features of which include pits, mullock heaps, water races and dry stone walls. In latter years the land has been used for agricultural crops and grazing.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
