Property Number

History

The site is part of the Jim Crow diggings which was first rushed in 1853. Subsequent rushes occurred in 1855 and again in 1856, particularly by Swiss miners. Mining continued in the area around Shepherd's Flat for many years, with Chinese miners moving in during the 1860's.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
