Physical Description 1

"This house 8 room brick house was built for Fisher Horton in 1936 and is possibly another example of the work of Arnaud Wright. It is another home constructed broadly in the Georgian Revival style although its grey render, black shutters and substantial porte cochere distinguish it from others in the road. The property is also noteworthy for its formal garden behind wrought iron gates."

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
