## **Usage/Former Usage**

This house forms a semi-detached pair with its partner at 9 St Georges Road. It was built in 1940 for Mrs. E.A. Nunn. The building draws its detail broadly from Georgian sources but its form is too complex to be considered a true product of the Georgian Revival. It is nonetheless a handsome residence which underscores the eclectic approach to applied ornament taken by architects and builders in Melbourne prior to World War II.
