Statement of Significance

Last updated on -

Moderate scientific significance.

Archaeological Significance	The site appears to be deflated but may still contain archaeological deposits.
Historical Significance	This is a significant site, and would add to the early settlement history of Kulkyne and is there considered to be of moderate historical significance.
Hermes Number	63226
Property Number	

History

The artefacts examined date the site to the mid to late 1800s, which coincides with the period marked for the change of lease for Mornpool, so the site marks the establishment of a second Mornpool Homestead.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.

For further details about Heritage Overlay places, contact the relevant local council or go to Planning Schemes Online <http://planningschemes.dpcd.vic.gov.au/>
