## Statement of Significance

Last updated on -

Outstanding specimen

A large specimen growing in the front garden of a private property. Around either side of the tree is a circular driveway. The tree is a dominant feature of the garden, occupying almost the total width of the property boundary. The tree has very attractive form, with a low spreading canopy and major limbs resting on the ground.

Measurements: 21/05/1982

Spread (m): 30.5
