Statement of Significance

Last updated on - August 28, 2007

Two-storey mansion of c.1873 in rendered brickwork of asymmetrical plan on corner site with entrance at side, projecting corner bay, arcaded verandah around two facades and iron railing on bluestone base.

Classified 22/07/1976

The houses on the east side of Powlett Street from the Gipps Street corner northward to 138 Powlett Street and southward to the corner of Hotham Street, also the group on the west side from Gipps Street to 138 Powlett Street and including 128-132 Gipps Street, form a group on 19th century houses, some of great individual distinction, which complement and support each other to form a homogeneous streetscape, which would suffer by the removal or drastic alterations of any particular one and of which Crathre House is the most dominant.

Other Names Crathrie House,

Hermes Number 65112
