Statement of Significance

Last updated on - October 12, 2005

This large bluestone shearing shed is the last substantial building remaining of the Rockbank pastoral run which was held, at various times, by such notable pioneers as W C Yuille and W J T Clarke.

The shed was designed by the architectural firm of Reed and Barnes and was built in 1864 whilst the property was in the hands of W J T Clarke.

Classified: 29/11/1983

Also classified is the cistern nearby, the complex of buildings between the woolshed and the creek, consisting of shearers' quarters, boundary riders' quarters, manager's house, cook house, stables, and ruins of a hut south of

the stables on the bank of the creek, and to the causeway across Kororoit Creek.
