Victorian Heritage Inventory

Interpretation of Site	Double fronted timber cottage with timber shingles. Corrugated iron roof a later addition. Site is an urban cottage. Restoration of the property may have disturbed/removed subsurface deposits.
Archaeological Significance	The site is archaeologically significant for the potential occupation deposits under extant floors or within the yards.
Historical Significance	The site is of local significance as an extant building dating to early settlement of the area.
Hermes Number	6647
Property Number	

History

Land was sold to William Douglas in 1840. The house is shown on a town map dating to 1853, however it is likely to be older, dating to the oldest settlement of the area in 1834.

This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.
