Property Number

---

## History

Heritage Inventory History of Site: Incoming Europeans, many from the Scottish Highlands, used the country for various activities including gathering wattle bark, cattle and sheep grazing. None placed their major homesteads on the Stones. Instead shepherds and boundary riders built rough cottages from the abundant local stone.

*This place/object may be included in the Victorian Heritage Register pursuant to the Heritage Act 2017. Check the Victorian Heritage Database, selecting 'Heritage Victoria' as the place source.*
