## Statement of Significance

Last updated on - May 8, 2008

A Lutheran church of bichrome brickwork built in 1876 to a design by H R Caselli which may have been intended to be Rhenish Lombardic Gothic, distinguished by a small arcaded corbel table under the eave, and raking up the gable, and by a tower with a machicolated top stage which is a tour-de-force of modelled brickwork.
