Statement of Significance

Last updated on - May 9, 2005

A Presbyterian church of coursed bluestone in a rudimentary Early English style dominated by a western centrally placed tower, of rather squat proportions, incorporating an octagonal belfry and steeple. The church was erected in 1859 to the design of Geelong architect J L Shaw. Further works appear to have been intended at the east end.

Classified: 17/11/1977.

Confirmed: 01/09/1988

Location: 1716 Bannockburn-Shelford Road, Shelford
