
Point Leo To Somers

Location

POINT LEO VIC 3916 - Property No L10071

Municipality

MORNINGTON PENINSULA SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 3, 2004

The area is reasonably unimpaired. Beaches are rocky and shallow with many rocky platforms at low tide. There are fine stands of trees on the foreshore. Development has not been intensive. This is a classic area in that roads lead down to the foreshore and except for developed areas roads are not near the foreshore. Mostly agricultural - rolling pastures and distant seascapes.
