Statement of Significance

Last updated on - June 3, 2004

The visual, botanical and zoological significance of this area is largely due to the fact that it is an isolated block of native vegetation occurring on a highly dissected landform within a largely cleared pastoral area.

LOCATION AND BOUNDARIES:

The Warramate Hills are located approximately 48 kilometres east of Melbourne. The Classified area is generally bounded by the railway line to the south, the Woori Yallock Creek and Yarra River to the east, and Briarty Road to the north.
