
Quercus suber

T11085 Quercus suber

Location

500 Yarra Boulevard,, RICHMOND VIC 3121 - Property No T11085

Municipality

YARRA CITY

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - August 3, 2005

Contribution to the landscape
Outstanding size

This tree is an outstanding specimen of Cork Oak (*Quercus suber*) displaying perfect form and symmetry. It tree is in excellent condition, however, the compacted soil required attention to increase the water infiltration rate. Two other outstanding specimens occur in Portland and Caulfield (both in church yards).

The tree is located at the University of Melbourne, Burnley campus. formerly Burnley Horticultural College
