Statement of Significance

Last updated on - July 6, 2004

Location or Context:

A tree which occurs in a unique location or context and so provides a contribution to the landscape.

Rare or Localised:

A tree of a species or variety that is rare or of very localised distribution.

Positive identification unknown - may be persistent juvenile foliage. The tree is crowded from above by the canopies of other exotic trees and needs space to develop. Remnant of plantings by JC Cole circa 1890s. This tree is located S-W of the house.
