Statement of Significance

Last updated on - June 8, 2004

Outstanding size tree

Outstanding example of species

This is an outstanding specimen which has grown to a large size and is in excellent condition despite a bifurcation at 11 metres. The tree is part of ornamental plantings along the creek at Buchan Caves Reserve, and is believed to follow the plan prepared by Hugh Linacre in 1929.

This tree is located near the pumphouse opposite the tennis courts.
