Statement of Significance

Last updated on - June 16, 2008

Horticultural Value Location or Context Outstanding Size: Outstanding example of species:

A magnificent specimen growing on private property. It is of outstanding size and in excellent condition. The tree may have a very interesting history and is considered of State significance. Species normally restricted to the eastern end of Kangaroo Island and a small are on Fleurieu Peninsula; endemic to South Australia. A large branch was lost due to storm damage in May 1985. Further storm damage necessitated its removal in late 1986.

Measurements: circa 1984 Spread (m): 15 Girth (m): 4.95 Height (m): 12 Estimated Age (yrs): 70 Condition: Excellent

Access: Restricted Classified: circa 1984

Other Names Kangaroo Island Narrow-Leaved Mallee,

Hermes Number 70718

Property Number
