Statement of Significance

Last updated on - June 16, 2008

Contribution to the landscape
Historical value

These trees are two commemorative plantings growing either side of the stone steps next to the former Ballarat East Town Hall (demolished). The trees were planted in 1901 by the Duke and Duchess of Cornwall and York. *Abies pinsapo* is a species of fir native to southern Spain and northern Morocco. Located on embankment south-east of Library Building.
