Statement of Significance

Last updated on - June 10, 2004

Contribution to the landscape of historic garden
Rare or localised

This is a fine specimen of a rare conifer forming a significant feature in the garden. The tree displays the species' characteristic narrow crown and curved trunk. It forms part of a large collection of Araucarias including *A. bidwillii*, *A. cunninghamii*, *A. heterophylla*, growing in this historic property, now the Anzac Hostel
