Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape of historic garden
Particularly old

These trees are two very attractive specimens planted within the formal part of this historic garden. They were planted between 1844 and 1845 and are among the oldest exotic trees in Victoria. The trees are in good condition and are important plantings to the landscape in front of the 1884 homestead.

Measurements for western tree: 28/02/1989
