Statement of Significance

Last updated on - July 6, 2004

Contribution to landscape of historic garden
Outstanding size
Outstanding example of species.

This Bunya Bunya pine has the largest trunk circumference recorded in Victoria and is an outstanding example of the species displaying a dome top and foliage to ground level.

Located in the garden of 'Cororooke House', west of Cororook Rd, north-east of Colac. The original residence, now demolished, was built for pioneer cattle breeder, George Robertson.
