## Statement of Significance

Last updated on - June 11, 2004

Location or Context: Historic park.

Aesthetic Value:

A large and dominant lawn specimen located between the Central Reservoir and Glasshouse. Several limbs were torn from the tree during the 1980 snowstorm and these stubs require removal. However the tree is in excellent condition. The tree is located on the western side of Central Reservoir near the Glasshouse

Measurements: circa 09/1983

Spread (m): 27

Girth (m): 4.54

Height (m): 22.5

Estimated Age (yrs): 120

Condition: Excellent

Access: Unrestricted

Classified: 08/09/1983

Other Names      Blue Atlas Cedar,

Hermes Number    71026

Property Number
