Location

Lake Albacutya Regional Park , WARRACKNABEAL VIC 3393 - Property No T11540

Municipality

YARRIAMBIACK SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Horticultural value
Curious growth form

Two very unusual trees growing in native bush. Both trees exhibit twisted and contorted stems. One specimen is severely stunted and has a weeping habit. The cause of this unusual growth habit is unknown - it may be genetic or environmentally induced. Attempts will be made to propagate this unusual form.

Measurements: 13/07/1992
