Location

Glenview Road, between Upland Road and Grammer Street, ESSENDON VIC 3040 - Property No T11564

Municipality

MOONEE VALLEY CITY

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape

An unusual planting style for the species giving the street a linear walled appearance. The avenue is not pure - a *Grevillea robusta* has been inter-planted as a street tree. The east side is threatened from overhead powerlines running through the crowns and bundled cables should be considered to allow the trees' growth. The avenue is the only known example of Cypress being used as street trees in Victoria.

Measurements: 02/06/1993
