Statement of Significance

Last updated on - June 11, 2004

Horticultural Value;

Tree which occurs in a unique location or context and so provides a contribution to the historic garden or park

An interesting cultivar of *Acer pseudoplatanus*. The leaves are marked with gold variegations scattered on the leaf surface. A well formed tree in excellent condition providing an interesting colour contrast in the landscape. This tree is being used as a seed source for trade. Seedlings come true to parent plant.

Located 10 metres East side of Hitchcock Fountain
