Statement of Significance

Last updated on - June 11, 2004

Horticultural value;

Tree which occurs in a unique location or context and so provides a contribution to the historic garden or park;

Rare or Localised
Outstanding Size.

An outstanding specimen of this rare tree. Only three known specimens in cultivation in Victoria; the other two being in the Royal Botanic Gardens. This tree is by far the largest. It requires tree surgery to remove numerous dead branches

Located 50 metres North East of Hitchcock Fountain
