Statement of Significance

Last updated on - June 10, 2008

Horticultural Value;

Tree which occurs in a unique location or context and so provides a contribution to the historic garden or park;
Rare or Localised

This tree is the only known example in cultivation in Victoria. A native of Queensland and NSW extending from Illawarra to Cape York. The tree is in need of some tree surgery to remove stubs, deadwood and improve appearance.

Located 10 metres South of pond, 24 metres east of Traill fountain
