National Trust

Statement of Significance

Last updated on - June 11, 2004

Tree which occurs in a unique location or context and so provides a contribution to the historic garden or park
Outstanding size

Aesthetic significance
Outstanding example of species

Female Tree. An outstanding specimen of this native of China and by far the largest in Victoria and presumably Australia. Possibly the largest in cultivation. This tree is in excellent condition although wind and crowding has forced the growth in one direction.

Located 30 metres East of Traill Fountain

Measurements: 04/1984
Spread (m): 12.5
Girth (m): 4
Height (m): 19.5
Estimated Age (yrs): 125
