Location

Johnstone Park cnr Little Malop and Fenwick Streets, GEELONG VIC 3220 - Property No T11620

Municipality

GREATER GEELONG CITY

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 11, 2004

Horticultural Value

Historic garden or park

A female form of this unusual gymnosperm. This is a particularly heavy fruiting form and regularly produces large numbers of 'ginkgo nuts'. The tree has a spreading crown and branches low to the ground, unlike the large tree in the Geelong Botanic Gardens. This tree is a valuable source of seed for propagation.

Located at Fenwick Street end of central path on East side

Measurements: 08/03/1989

Spread (m): 18.6

Girth (m): 2.43
