State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 11, 2004

Rare or localised

Outstanding size

Outstanding example of species

A very attractive specimen - the only other mature planting occurs in the Stanley Cemetery. This tree, however, is in betterin better condition and displays outstanding form. Interesting to note that the tree sets a very heavy crop of attractive cones.

Located beside croquet shelter

Measurements: 08/04/1989
