Statement of Significance

Last updated on - June 11, 2004

Rare or localised

Outstanding size

Outstanding example of species

An outstanding example of the species. This cultivar is rare in Victoria and has grown into a very attractive, upright specimen, making it amongst the best known of exotic trees in Victoria. The tree exhibits a straight trunk, well shaped crown and its pendulous foliage is particularly attractive. A smaller example occurs along the drive of 'Duniera'.

It is located at the South-East corner of the tennis court
