
Thuja plicata

Location

'Alton' 239 Alton Road, MOUNT MACEDON VIC 3441 - Property No T11682

Municipality

MACEDON RANGES SHIRE

Level of significance

State

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 15, 2004

Contribution to historic garden or park

Outstanding size:

A mature example of a species uncommon in cultivation in Victoria, being confined to cooler locations. This tree is the largest measured in Victoria and displays an outstanding conical form. The tree is in good condition despite being overcrowded by a large Sitka Spruce on the north side

It is located north of main house along service drive, in the central island bed.

Measurements: 01/03/1998

Spread (m): 11.7
