Statement of Significance

Last updated on - July 14, 2004

Horticultural value
Contribution to the landscape
Outstanding example of species

An attractive and unusual form of the species, heavily foliated and growing near the road about half-way along the track. The tree is of perfect shape. The trunk diameter is much greater than those of the other stand. August 2010: The tree is surrounded by dozens of self-sown trees of the same type. It is located on the west side of Illabarook-Noonlight Rd, 700mtrs from Cape-Clear Rokewood Rd, in the Illabarook Rail Line Conservation Reserve.
