Location

'Naringal' Pitfield-Scarsdale Rd, WALLINDUC VIC 3351 - Property No T11689

Municipality

GOLDEN PLAINS SHIRE

Level of significance

Regional

Heritage Listing

National Trust

Statement of Significance

Last updated on - June 16, 2008

Contribution to landscape
Particularly old

Two very old specimens thought to have been planted between 1842-47. The trees are growing in an open paddock near the first 'Naringal' house. The trees are of great age and the major limbs have collapsed which is not uncommon for old mulberries, forming a very large spreading crown. The trees are probably remnant plantings from an orchard. They are located near Slab Hut

Measurements: 1983
Spread (m): 16-19
Girth (m): multi-trunked

Height (m): 4.6
Estimated Age (yrs): 140
Condition: Good

Measurements: 15/06/1992
